# ALEXANDRIA COMMISSION FOR THE Arts

2  
4-29-03

EXHIBIT NO. 1

~~Budget~~

April 7, 2003

TO: The Honorable Mayor and Members of the City Council  
CC: Members, Alexandria Commission for the Arts  
FROM: Donald R. Williams, Chair  
RE: Conditional Grant Awards Recommendations for FY 2004

Enclosed is a list of applicants from the City of Alexandria seeking support for the arts. A total of 30 applications were received (the same number as for FY 2003) for Operational, Project, and Technical Support Grants. Based upon projected budgets for the period July 1, 2003 through June 30, 2004, these 30 applicants qualify for a total of \$280,511 in grants. We were pleased with the response from a very active arts community.

Our five volunteer panels worked hard carefully reviewing every application, and made recommendations based upon analysis of each application, their knowledge of their particular arts discipline, and their familiarization with the applicants' body of work in the community.

The 15-member Commission acted upon each grant application and the panel recommendations for funding at the Commission's regular monthly meeting on Tuesday, March 18, 2003. Following this detailed review, the Commission developed the attached Conditional Grant Award Request. The Commission has authorized me to submit the amount of \$214,937 (\$209,937 City + \$5,000 Virginia Commission for the Arts) as our recommendation for Conditional Grant Awards. This amount is 76.6% of the full total eligibility of \$280,511 of all 30 applicants, or a shortfall of \$65,574.

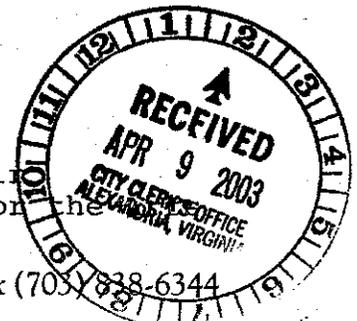

Our Commissioners are pleased to serve the City, and wish to thank you for your interest in the arts and your continued support of the worthwhile arts organizations and individual artists of Alexandria.

Please let me know if you need additional information.

Cordially,

*Donald R. Williams*

Donald R. Williams, Chair  
Alexandria Commission for the Arts

Springwater  
Fiber  
Workshop

June 9, 2003

Mayor Kerry J. Donley  
301 King Street  
Alexandria, VA 22314

Dear Mayor Donley and Members of the City Council:

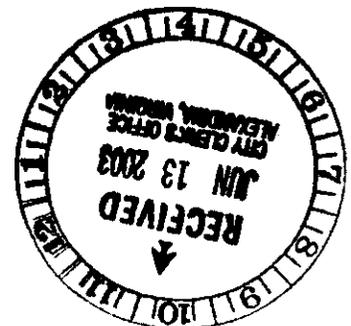

On behalf of the board of directors and staff of Springwater Fiber Workshop, I would like to thank you for approving an increase in funding of \$35,000 to the Alexandria Commission for the Arts. We have been providing fiber arts education and exhibits in Alexandria for 17 years and the City's continued support of the arts has been very much appreciated by our staff, teachers and volunteers. The Operational grant is a great help toward the costs of maintaining a presence in the heart of Alexandria so that we can offer easily accessible workshops, public programs and other activities to fulfill our mission of teaching and promoting the fiber arts. We were thrilled to receive even more than we had requested. We will continue to expand our programs for school-age children and teacher training on integrating the arts into basic education.

We acknowledge the support of the Alexandria Commission for the Arts in our promotional materials and on our Web site. I look forward to working with you in the coming year to encourage more people to participate in the arts in Alexandria.

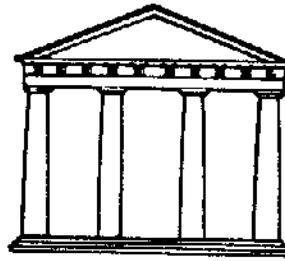

Sincerely,

A handwritten signature in cursive script that reads "Jane Butler".

The Honorable Kerry Donnelly  
Mayor  
City of Alexandria  
City Hall  
301 King Street  
Alexandria, Virginia 22314

Dear Mayor Donnelly,

The members of the Northern Virginia Fine Arts Association at *The Athenaeum* are very grateful for the generous grant of \$11,000 we will receive for our 2003-2004 program of arts activities. Please express our gratitude to all the members of the City Council.

The grant from the City will allow us to continue to provide quality art activities, for free or very low cost to all the citizens of Alexandria and those of the surrounding areas as well as touring visitors. We hope that you and the other members of council will come and enjoy the arts we provide, too.

Thanking you all again, with good wishes, I am,

Sincerely yours,

Mary Gaissert Jackson  
Executive Director

301 King Street  
Alexandria, VA 22314

Re: Proposed Alexandria City Budget for FY 2004

Dear Mayor Donley and Members of Council:

The Environmental Policy Commission (EPC) would like to submit comments on the City Manager's proposed FY 2004 Capital Improvement Program (CIP) and Operating Budget items relating to environmental quality.

The EPC commends the City Manager for including the following items in the CIP:

- An additional \$11.8M over six years in FY 2004, for a total of \$15.7M, for the evaluation and correction of infiltration/inflow problems in the City's separate sanitary sewer system.
- \$200,000 per year extended to FY 2009 for use as seed money for land acquisition and preservation of open space – a commodity that contributes greatly to many aspects of the city's overall environmental quality.
- \$450,000 over five years to implement and study ways to increase energy conservation in City buildings.
- Continued funding for infrastructure improvements.
- \$325,000 total (\$25,000 in prior year unallocated monies and \$100,000 in FY 2004, FY 2006 and FY 2008) for Environmental Restoration. These funds will provide for the restoration of environmentally sensitive sites within the City that have been significantly altered or require action to reduce pollutants from entering the environment.

In the Operating Budget, the EPC commends the City Manager for the addition of one Water Compliance Specialist in Environmental Quality and one Transportation Engineer IV in Transportation. These staff members are needed over the long-term to ensure compliance with the newly required Virginia Pollutant Discharge Elimination System (VPDES) Municipal Separate Storm Sewer System (MS4) permit, optimization of traffic flow to reduce congestion and emissions, other requirements, and quality of life issues.

Mayor Donley and Members of Council

April 24, 2003

Page 2

Overall, the EPC supports the inclusion of budget items to safeguard and improve the environmental quality of our city. The EPC recognizes there are competing needs for a limited amount of resources, but encourages the City to continue to identify additional funds for environmental restoration, land acquisition for open space, and energy conservation. Thank you for your consideration.

Sincerely,

A handwritten signature in cursive script, appearing to read "Cindy Chambers".

BY HAND

Superintendent of Schools  
Rebecca L. Perry

Dear Mr. Mayor and Members of the City Council:

I write at the direction of the School Board in anticipation of your Budget Work Session at 6:30 PM and Special Meeting at 7:30 PM tomorrow, April 29, 2003. At the Budget Work Session and Special Meeting the Council is scheduled to take up the proposed Annual Operating Budget for FY 2004 (including Schools) and the proposed Capital Improvements Program ("CIP") for 2004-2009 (including the Schools CIP.)

In recent weeks there has been a healthy exchange of views among citizens and elected officials about the proposed budget. The Board is mindful of the scope of the Council's responsibilities. The Board knows that the Council must consider the requests of various constituencies for operating and capital budget authority, the cost of capital and limits on prudent debt financing, the City's dependence on the real estate tax base, and the extent to which the fiscal condition of the City is subject to macroeconomic factors.

School Board

Chairman  
Mark R. Eaton

Vice Chairman  
Susan J. Johnson

Members  
Sally Ann Baynard

Linda D. Cheatham

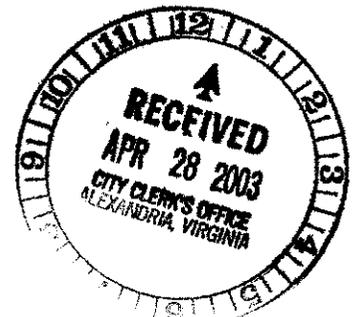

Mary M. Danforth

V. Rodger Digilio

Stephen J. Kenealy

Gwendolyn H. Lewis

Mark O. Wilkoff

With due regard for individual expressions of opinion by all parties on budget matters, the Board has asked that I make these few points:

1.) The Board stands behind its adopted operating budget and CIP. The Board's unanimously adopted CIP and operating budget are the products of weeks and months of extensive debate, analysis, and revision, often about issues or proposed outlays which appear minor to even charitable observers. The Board unanimously believes that the Superintendent proposed, and the Board adopted, a budget that, in the words of Section 22.1-92 of the Code of Virginia, describes "...the amount of money deemed to be needed during the next fiscal year for the support of the public schools of the school division." If impressions have formed that members of the Board think otherwise, those impressions are incorrect.

2.) If the Council fully funds the Board's proposed budget the Board makes no request to retain revenue above a fully funded City appropriation. The Superintendent and her staff anticipate that the school system will receive about \$670,000 in additional state aid. If the school system's budget is fully funded as proposed by the City Manager the Board does not expect an additional appropriation from the City in an amount equal to the state aid. Correspondingly, if the school system's budget is fully funded the Board does not expect that the state aid funds will, or should, be retained by the school system.

3.) If the Council declines to fully fund the Board's proposed budget the state aid should be used to offset any reduction by the Council to the City Manager's proposed budget authority for the school system. The Board suggests that the appropriating intent of the General Assembly—that state aid "shall consist of state funds appropriated for public school purposes and apportioned to the school board"<sup>1</sup>—should be respected if the Council reduces the City appropriation to the school system below the amount adopted by the Board and proposed by the City Manager. Accordingly, the state aid should be used to offset any reductions from the City Manager's proposed allocation to the Schools. At the Council's April 21 work session some members of the Council proposed to reduce the school system's operating budget below the \$122,361,334 in the City Manager's proposed budget by more than \$670,000, the amount of the anticipated state aid. If this occurs, then the Board and the Superintendent will take such actions as are considered least detrimental to student learning.

By making these points, I do not suggest in any way that the Council has been anything less than a fully engaged and supportive partner with the Board on the critical and costly school system CIP which features the new T.C. Williams High School.

---

<sup>1</sup> Code of Virginia, Section 22.1-88.

April 28, 2003  
Page 3

Finally, I understand that there may have been negative remarks by some concerning the proposed allocation of \$70,000, to be matched by a like amount from the school system's CIP, for repairs to the dock facility at the boathouse. Acting at the Board's direction, I requested this and the Mayor concurred. The Board proposed these safety-related repairs as a joint project with the City. Any criticism on other grounds is, in my view, unfounded.

As the terms of this City Council and Board enter their final months I wish to express my appreciation, and that of my colleagues, for your work on behalf of our City.

Very truly yours,  
*Mark Eaton*

April 28, 2003

BY HAND

The Honorable Kerry Donley  
301 King Street  
Alexandria, VA 22314

Dear Kerry,

I'm writing to thank you for your recommendation that \$248,000 be designated in the FY04 contingent reserve to support the work of the Campagna Kids school-age childcare program. I also want to clarify several issues in Budget Memo #39 on April 16, 2003 and discussed at your add-delete work session, and to let you know of the progress that has been made in our discussions with City staff.

#### FUNDING HISTORY

The Campagna Center was asked by the City to establish this program in 1977, and has been offered a contract for its operation every year since. Originally, when the families using the Alexandria City Public Schools had a higher average income it was not necessary to depend on public funding. Over the years the ability of families to pay based on the sliding fees scale established by the City has declined, while the City contribution remained at a fixed, flat rate. Since our budget did not increase meaningfully, wages for our staff fell significantly behind that of other childcare providers in Northern Virginia, including the Alexandria Department of Recreation, Parks and Cultural Activities. While there has been an increase in City funding since the mid-1990s it had to be used to address other changes in Campagna Kids, including a 10-15% growth in children served each year from 1991-2002, more and more children with special needs, the additional costs associated with accreditation (required by the City), and the declining capacity of parents to pay. Consequently, wages continued to lag.

As partners to the City and contributors to the success of this program for 26 years, it is The Campagna Center's goal to provide the highest quality, most cost effective child care possible to the children of Alexandria. It is also our goal to work with the City to find the best way to do that within our collective resources and to optimize the value of our public-private partnership. Examples of the additional support that The Campagna Center has obtained this

The Honorable Kerry Donley  
Page Two  
April 28, 2003

year as part of our public-private partnership include the \$34,000 annual USDA reimbursement for food and a \$40,000 grant from the Freddie Mac Foundation to support SOL accreditation at Maury and Jefferson-Houston.

It is regrettable for these funding issues to arise during the Council's budget deliberations, but as you read in our proposed budget submitted to City staff on November 13, we requested increased funding then and at every opportunity for many years. However, in November 2002 we had limited experience for the year with parent fees, enrollment and other data on which to make projections for the future, and this year circumstances changed markedly. The wage disparity has become acute, with a 50% turnover rate in the positions providing direct care to children. This means that our ability to operate at existing service levels in FY04 while maintaining the high quality of care that we all value is compromised. Consequently, in February we advised the City Manager that we could no longer insure the high level of care we all expect for our children without the capacity to attract and retain quality staff, and we again asked for increased funds. Since that increase was not in his proposed budget, we brought the issue to Council.

#### **LOOKING FORWARD**

Thanks to your leadership on this issue and constructive and solution-based dialogue with City staff, the City and The Campagna Center are making important progress in addressing short-term issues and initiating dialogue towards long-term enhancement of after-school programming. The Campagna Center looks forward to opportunities to provide input to the upcoming project with an outside consultant hired by the City who will look objectively at long-term solutions for school-age childcare in Alexandria. We expect this to include standardization of parent fees, wages and programming Citywide, consideration of the experience of various providers, providers' capacity to leverage private support, adequacy of services for special needs children, licensing, accreditation and accountability issues.

Please let me know if you have any questions about this information. I look forward to seeing you on April 29.

Sincerely,

  
Katherine L. Morrison  
Executive Director

Cutting education budgets, especially at distressed Maury School is unconscionable. This school has been traumatized enough. Find another option in the budget to cut, PLEASE. Anne Shine, alumna

**COMMENTS** (In the box below, please enter your comments or suggestions - limit 2500 characters)

To City Council: I realize that there is a need to reduce the tax rate in order to counteract the large increase in assessments this year. However, it is important that the cost of this cut not be passed on to the city schools. The Virginia General Assembly through JLARC has determined that the state is underfunding education by \$1 billion. That means that localities must step in to fund a quality education system for their citizens. Governor Warner protected state education funding during this legislative session from reductions, instead making cuts in other parts of the state budget. It is time for Alexandria City to look at the city spending on non-school needs to determine where cuts might be made so as to spare the schools from cuts. When schools are being held more accountable for students actually learning through the SOL tests, it is not the time to cut into an already under funded education budget. Please look to other parts of the city budget rather than the school budget if you determine that there is a need to reduce taxes below what the City Manager has recommended. Sincerely, Ann Ipsen

**COMMENTS** (In the box below, please enter your comments or suggestions - limit 2500 characters)

Dear Mayor Donley and Council Members, As a tax paying homeowner in Alexandria, I understand the desire to cut the real estate tax burden of the homeowners of Alexandria. However, I can not agree with the proposed cuts. We are now facing major needs in many areas of the city. These were elaborated upon in the City Manager's introductory letter regarding the FY '04 budget. It does not make sense to intentionally lower revenue when we know the city needs the funds. It is like quitting your job when you have a mortgage payment to meet! In particular, I am very concerned that the school budget could be adversely impacted by any revenue reduction. The city's schools need to be fully accredited. They are facing serious challenges in terms of the Leave No Child Behind Act, SOLs, aging facilities, and competitive compensation to meet this goal. We need to continue to invest in the City's children because they are its future. In closing, I do not support any reduction in the real estate tax rate and feel that you, as Council Members, are acting irresponsibly in considering this proposal. I would hope that as city politicians you will not just make decisions to be re-elected but make decisions that are good for the long-term health of the city in which we all live. Sincerely, Joan C. Holtz

Dear Honorable Mayor Donley and Members of City Council:

I want to personally thank you for the tremendous support and concern in which the City of Alexandria provides the Campagna Kids Daycare Center. As a valued constituent in your community, I can attest to the quality of service in which my child, Brooke Hinnant, has received within the past two years. The Campagna Kids program has exceeded all of my expectations while charging a reasonable fee.

I request the utmost consideration be given to increase funding for the Campagna Kids during your forecast of the 2004 budget. The program has maintained its excellence though sustaining an increase of children, a reduction of parents' fees and initiating special enrichment and accreditation programs. Unfortunately, the staff's wages have not kept pace with the accompanying added responsibilities that produce these marvelous achievements. An increase in the 2004 budget will ensure that the dedicated and highly qualified staff will continue to receive the necessary compensation for services rendered.

Thank you for your time and consideration of this matter.

Dear Honorable Mayor Donley and Members of City Council:

I want to personally thank you for the tremendous support and concern in which the City of Alexandria provides the Campagna Kids Daycare Center. As a valued constituent in your community, I can attest to the quality of service in which my child, Brooke Hinnant, has received within the past two years. The Campagna Kids program has exceeded all of my expectations while charging a reasonable fee.

I request the utmost consideration be given to increase funding for the Campagna Kids during your forecast of the 2004 budget. The program has maintained its excellence though sustaining an increase of children, a reduction of parents' fees and initiating special enrichment and accreditation programs. Unfortunately, the staff's wages have not kept pace with the accompanying added responsibilities that produce these marvelous achievements. An increase in the 2004 budget will ensure that the dedicated and highly qualified staff will continue to receive the necessary compensation for services rendered.

Thank you for your time and consideration of this matter.

MADALYN S. KELLY-HINNANT  
Captain, USA  
Congressional Affairs Officer

April 22, 2003

The Honorable Mayor and Members of City Council  
City Hall

Dear Mayor Donley and Members of City Council:

As a friend and supporter of The Campagna Center programs, I want to take this opportunity to thank you for the City's long-term support of Campagna Kid's before and after school child care. Let me suggest at this time that you continue your support by increasing the dollar level needed to sustain the programs and staffing of the before and after school care programs.

Today with the increase in the number of children utilizing these programs and the reduction in parent fees coupled with more enrichment and accreditation, and more children with special needs only fuels the need to have qualified staff. In continuing your support it is necessary that you continue to ensure that qualified paid staff is afforded to meet the increased challenges and demands of our most precious resource - our children. These programs to date have been successful because we have qualified staffs who continue to be caring persons. Therefore, I suggest that serious consideration be given in the 2004 budget to increase funding for qualified paid staff so that the Campagna Center can continue to provide the best for our children.

I would like to thank you in advance for your consideration. I also would like to say that while I do not live in Alexandria; my job has brought me to this community for the past 32 years. As a business professional working in Alexandria, I have, even though I live out of the city supported many non-profits as they reach out to needs of our communities.

Sincerely,

Frank E. Lasch, Sr.  
15363 Bowmans Folly Drive  
Manassas, Virginia 22012

April 2003

The Honorable Mayor and Members of City Council  
City Hall

Dear Mayor Donley and Members of City Council,

As the parent of a child who attends Campagna Kids, I want to thank you for the city's support of Campagna Kids' quality programming. My child Torrey Harrison loves this program - and so do I.

I know that the costs of Campagna Kids have grown over the years due to more children, a reduction in parent fees, more enrichment and accreditation, and more children with special needs. What has not grown enough are the wages Campagna Kids is able to pay its staff, who are the most important people to the children. As a parent and taxpayer in Alexandria, I am very concerned about this situation.

I ask you to please add enough funds to the 2004 Campagna Kids budget to ensure that qualified staff will come to work for and stay with this program so our city's most precious resource - our children - can depend on having the same caring persons look after them each day.

Thank you for considering my views on this matter and respecting the interests of the children and parents who depend on Campagna Kids throughout the year.

Sincerely,

Your Name Jolenee Harris  
Your Address 304 N. Howard St #404  
Alexandria, VA 22304

\* This is a very positive & important Program and I would like it to continue.

As the parent of a child who attends Campagna Kids, I want to thank you for the city's support of Campagna Kids' quality programming. My child Lorraine Pettit loves this program - and so do I.

I know that the costs of Campagna Kids have grown over the years due to more children, a reduction in parent fees, more enrichment and accreditation, and more children with special needs. What has not grown enough are the wages Campagna Kids is able to pay its staff, who are the most important people to the children. As a parent and taxpayer in Alexandria, I am very concerned about this situation.

I ask you to please add enough funds to the 2004 Campagna Kids budget to ensure that qualified staff will come to work for and stay with this program so our city's most precious resource - our children - can depend on having the same caring persons look after them each day.

Thank you for considering my views on this matter and respecting the interests of the children and parents who depend on Campagna Kids throughout the year.

Sincerely,

Your Name JOHN PETTIT  
Your Address 2905 Pierpont St.  
Alexandria 22302

Fax to 703-838-6433 or give to Campagna Kids Site Director

*P.S. It would be dreadful  
to lose any of these staff.  
They are a sifted team  
of caring professionals  
whom I can see really  
make a difference*  
*JJ Pettit*

As a parent and taxpayer in Alexandria, I am very concerned about this situation.

I ask you to please add enough funds to the 2004 Campagna Kids budget to ensure that qualified staff will come to work for and stay with this program so our city's most precious resource - our children - can depend on having the same caring persons look after them each day.

Thank you for considering my views on this matter and respecting the interests of the children and parents who depend on Campagna Kids throughout the year.

Sincerely,

The Honorable Mayor and Members of City Council  
City Hall

Dear Mayor Donley and Members of City Council,

As the parent of a child who attends Campagna Kids, I want to thank you for the city's support of Campagna Kids' quality programming. My child Felalys Colorado loves this program - and so do I.

I know that the costs of Campagna Kids have grown over the years due to more children, a reduction in parent fees, more enrichment and accreditation, and more children with special needs. What has not grown enough are the wages Campagna Kids is able to pay its staff, who are the most important people to the children. As a parent and taxpayer in Alexandria, I am very concerned about this situation.

I ask you to please add enough funds to the 2004 Campagna Kids budget to ensure that qualified staff will come to work for and stay with this program so our city's most precious resource - our children - can depend on having the same caring persons look after them each day.

Thank you for considering my views on this matter and respecting the interests of the children and parents who depend on Campagna Kids throughout the year.

April 2003

The Honorable Mayor and Members of City Council  
City Hall

Dear Mayor Donley and Members of City Council,

As the parent of a child who attends Campagna Kids, I want to thank you for the city's support of Campagna Kids' quality programming. My child Christopher Wallace loves this program - and so do I.

I know that the costs of Campagna Kids have grown over the years due to more children, a reduction in parent fees, more enrichment and accreditation, and more children with special needs. What has not grown enough are the wages Campagna Kids is able to pay its staff, who are the most important people to the children. As a parent and taxpayer in Alexandria, I am very concerned about this situation.

I ask you to please add enough funds to the 2004 Campagna Kids budget to ensure that qualified staff will come to work for and stay with this program so our city's most precious resource - our children - can depend on having the same caring persons look after them each day.

Thank you for considering my views on this matter and respecting the interests of the children and parents who depend on Campagna Kids throughout the year.

Sincerely,

Your Name JANET ARTHIN  
Your Address 6166 ED SALL RD # 11

I know that the costs of Campagna Kids have grown over the years due to more children, a reduction in parent fees, more enrichment and accreditation, and more children with special needs. What has not grown enough are the wages Campagna Kids is able to pay its staff, who are the most important people to the children. As a parent and taxpayer in Alexandria, I am very concerned about this situation.

I ask you to please add enough funds to the 2004 Campagna Kids budget to ensure that qualified staff will come to work for and stay with this program so our city's most precious resource - our children - can depend on having the same caring persons look after them each day.

Thank you for considering my views on this matter and respecting the interests of the children and parents who depend on Campagna Kids throughout the year.

Sincerely,

Your Name Silvia Sandoval

The Honorable Mayor and Members of City Council  
City Hall

Dear Mayor Donley and Members of City Council,

As the parent of a child who attends Campagna Kids, I want to thank you for the city's support of Campagna Kids' quality programming. My child TASIA WARREN loves this program - and so do I.

I know that the costs of Campagna Kids have grown over the years due to more children, a reduction in parent fees, more enrichment and accreditation, and more children with special needs. What has not grown enough are the wages Campagna Kids is able to pay its staff, who are the most important people to the children. As a parent and taxpayer in Alexandria, I am very concerned about this situation.

I ask you to please add enough funds to the 2004 Campagna Kids budget to ensure that qualified staff will come to work for and stay with this program so our city's most precious resource - our children - can depend on having the same caring persons look after them each day.

Thank you for considering my views on this matter and respecting the interests of the children and parents who depend on Campagna Kids throughout the year.

Sincerely,

Your Name Sonya Warren  
Your Address 523 E. Bellefontaine Ave  
Alexandria VA 22301

2) Talani Napper

I know that the costs of Campagna Kids have grown over the years due to more children, a reduction in parent fees, more enrichment and accreditation, and more children with special needs. What has not grown enough are the wages Campagna Kids is able to pay its staff, who are the most important people to the children. As a parent and taxpayer in Alexandria, I am very concerned about this situation.

I ask you to please add enough funds to the 2004 Campagna Kids budget to ensure that qualified staff will come to work for and stay with this program so our city's most precious resource - our children - can depend on having the same caring persons look after them each day.

Thank you for considering my views on this matter and respecting the interests of the children and parents who depend on Campagna Kids throughout the year.

Sincerely,

Your Name Quinnette Napper  
Your Address 1431 Duke St #87

The Honorable Mayor and Members of City Council  
City Hall

Dear Mayor Donley and Members of City Council,

As the parent of a child who attends Campagna Kids, I want to thank you for the city's support of Campagna Kids' quality programming. My child Fatima Sane loves this program - and so do I.

I know that the costs of Campagna Kids have grown over the years due to more children, a reduction in parent fees, more enrichment and accreditation, and more children with special needs. What has not grown enough are the wages Campagna Kids is able to pay its staff, who are the most important people to the children. As a parent and taxpayer in Alexandria, I am very concerned about this situation.

I ask you to please add enough funds to the 2004 Campagna Kids budget to ensure that qualified staff will come to work for and stay with this program so our city's most precious resource - our children - can depend on having the same caring persons look after them each day.

Thank you for considering my views on this matter and respecting the interests of the children and parents who depend on Campagna Kids throughout the year.

Sincerely,

Your Name Elisabeth Sane  
Your Address 2601 Park Center Dr. #C107

Dear Mayor and Council,

I am the mother of Matthew Bowles, a 1st grader at Lyles-Crouch Traditional Academy. He attends the Campagna Kids program for both before- and after-school care, for which I am very appreciative. Matthew loves the program and is quite happy there.

It has come to my attention that the financial needs for Campagna Kids has grown, but there is danger that funding will not. As a full-fare parent, I want you all to know that I support the concept of tax-subsidized child care so that single parents like myself can hold down decent jobs and try to get ahead. If funding for Campagna is not increased, my understanding is that wages for the workers will suffer. This would be a catastrophe! Currently, the Campagna personnel (at Lyles-Crouch, at least) are loving, caring individuals with the patience of saints and the hearts of lions. They manage to keep a very diverse group of children (culturally, economically, and in age) happy and well supervised (very important to me as a parent) for many hours a day. If wages decrease and the quality of those caring for the children suffers there is a danger that Campagna will start the downward spiral of lower-quality care that \*only\* subsidized families use. This would not only be a terrific shame, but as a taxpayer, it would be a disservice to me and all other taxpayers who need such a service at or near their child's school.

I have recently received flyers from some of you in the mail about the upcoming election. Everyone promises to be education-friendly. Here is an example where you can prove to me (and every other voter I can contact between now and the election) that you care not just about what goes on in the classroom during our children's days, but for their overall quality of life at school, including those hours while mommy is still at work.

Thank you for your time,  
Trijntje V. Downes

The Honorable Mayor and Members of City Council  
City Hall

Dear Mayor Donley and Members of City Council,

As the parent of a child who attends Campagna Kids, I want to thank you for the city's support of Campagna Kids' quality programming. My child Naadiyah Burns loves this program - and so do I.

I know that the costs of Campagna Kids have grown over the years due to more children, a reduction in parent fees, more enrichment and accreditation, and more children with special needs. What has not grown enough are the wages Campagna Kids is able to pay its staff, who are the most important people to the children. As a parent and taxpayer in Alexandria, I am very concerned about this situation.

I ask you to please add enough funds to the 2004 Campagna Kids budget to ensure that qualified staff will come to work for and stay with this program so our city's most precious resource - our children - can depend on having the same caring persons look after them each day.

Thank you for considering my views on this matter and respecting the interests of the children and parents who depend on Campagna Kids throughout the year.

Sincerely,

Your Name Yasmin Burns

Mr. Mark Jinks  
Assistant City Manager  
301 King Street  
Alexandria, VA 22314

Ms. Bev Steele, Interim Director  
Department of Human Services  
2525 Mt. Vernon Avenue  
Alexandria, VA 22301

Dear Mark and Bev,

I'm writing to follow up our March 12 meeting concerning Campagna Kids' FY 04 budget. As partners to the City and contributors to the success of this program since 1977, it is The Campagna Center's goal to provide the highest quality, most cost effective child care possible to the children of Alexandria. It is also our goal to work with you to find the best way to do that within our collective resources, including those secured by The Center (such as the \$30,000 annual USDA reimbursement for food and the \$40,000 grant from the Freddie Mac Foundation for enrichment).

When we submitted our proposal for FY04 in November 2002 we expected it to be the basis to begin budget discussions. Since the school year program starts in September, in November we have very little experience with parent fees, enrollment and other data on which to make projections for future years, and this year circumstances changed markedly. The wage disparity, which The Campagna Center has reported to you regularly, has become acute to the point where our ability to operate at existing service levels in FY04, while maintaining the high quality of care that we all value, is compromised.

Our recommendation to the City Council at the budget hearing on April 2 will be that the City and The Campagna Center commit to seeking a long-term vision for this program and that, as we work toward that vision, we maintain the existing service level. In the event that the City's ability to support maintenance of the existing program level is unachievable, we understand that changes will be necessary. With the active involvement of our Board leadership, we have identified five alternative arrangements for discussion, if it must come to that outcome. We believe that, together, we can find the financial resources to sustain existing care and enrichment levels for our City's children and families who are served by this Campagna Kids, and we look forward to working with the City to this end.

Mr. Mark Jinks  
Ms. Bev Steele  
Page Two  
March 27, 2003

With Council's public budget hearing on April 2, and summer and fall registration for Campagna Kids scheduled for mid-April, it is urgent that we meet to discuss these possibilities as soon as possible. I'll give you a call tomorrow so that we can begin a solution-based discussion.

Sincerely,

Katherine L. Morrison  
Executive Director

## **The Campagna Center School-age Child Care Options**

Assumptions made for the following options:

- \$1,222,000 in City funding
- use FY03 actual enrollment 2/28/03 as basis
- rely on anticipated FY03 year-end revenues for CCDF (\$250,000) and parent fees (\$990,000)
- continue to offer enrichment at current levels at a cost of \$161,000/year
- freeze nonpersonnel costs at FY03 level or reduce based on lower enrollment
- reflect 7% vacancy rate in salaries
- adjust wages to the lowest range of the 2001 market survey for child care providers in Northern Virginia
- does not include school-age child care at Samuel Tucker, which is under a separate contract but which also requires wage adjustments

### **Option #1. Continue Campagna Kids at FY03 service level, adjust wages**

This option reflects before-and-after-school programming at all present sites, and current staffing ratios (1:15 for nonaccredited sites, 1:12 for accredited sites, anticipating that Maury and Polk will be added to Jefferson-Houston, George Mason, Ramsay, and Charles Barrett as accredited sites). **Budget adjustment: \$430,585 (Column F)**

#### **Benefits**

- ▶ Accreditation maintained/expanded
- ▶ Lower child-to-staff ratio
- ▶ No disruption to families by changing providers
- ▶ Brings staff wages closer to market for school-aged child care providers (wages based on 2001 study) which will allow us to attract and retain staff

#### **Issues**

- ▶ Does not provide for citywide equity in fees, wages or programming

### **Option #2 Continue Campagna Kids at FY03 service level, adjust wages, differential staffing ratios**

This option reflects before-and-after-school programming at all present sites (11 with before-and-after care, Cora Kelly with just before-school care), preserves staffing ratio of 1:12 at accredited sites but changes nonaccredited sites to 1:20, the ratio required by the Virginia Department of Social Services. ). **Budget adjustment: \$244,777 (Column G)**

#### **Benefits**

- ▶ No disruption to families from changing providers

- ▶ Brings staff wages closer to market for school-aged child care providers (wages based on 2001 study) which will allow us to attract and retain staff

#### Issues

- ▶ Freezes accreditation at existing sites (seven of 13)
- ▶ Does not provide for citywide equity in fees, wages or programming
- ▶ Lower staff/child ratio lowers program quality

#### **Option #3 Continue Campagna Kids at FY03 service levels, adjust wages and change staffing ratio program-wide**

This option reflects before-and-after-school programming at all present sites, but changes staffing ratios from 1:15 for nonaccredited sites and 1:12 for accredited sites to 1:20, the ratio required by the Virginia Department of Social Services. ). **Budget adjustment: \$133,572 (Column H)**

#### Benefits

- ▶ No disruption to families from changing providers
- ▶ Brings staff wages closer to market for school-aged child care providers (wages based on 2001 study) which will allow us to attract and retain staff

#### Issues

- ▶ All accreditation lost
- ▶ Does not provide for citywide equity in fees, wages or programming
- ▶ Lower staff/child ratio lowers program quality

#### **Option #4 Continue Campagna Kids only at schools without Rec Centers, maintain current staff ratios and adjust wages**

This option reflects before-and-after-school programming at Lyles-Crouch, Maury, MacArthur, Jefferson-Houston, George Mason, Polk, Patrick Henry, John Adams. Where there are recreation centers attached to the schools (Mount Vernon, Charles Barrett, Ramsay and Cora Kelly) the before-and-after school care would have to be provided by another entity. Staffing ratios remain 1:15 for nonaccredited sites and 1:12 for accredited (which would be Jefferson-Houston, George Mason, Polk and Maury). **Budget adjustment: \$86,614 (Column I)**

#### Benefits

- ▶ Brings staff wages closer to market for school-aged child care providers (wages based on 2001 study) which will allow us to attract and retain staff.
- ▶ Maintains some accreditation
- ▶ Higher staff/child ratio increases program quality

### Issues

- ▶ Families at Mount Vernon, Charles Barrett, Ramsay must change providers
- ▶ Accreditation lost at Charles Barrett and Ramsay
- ▶ Does not provide for citywide equity in fees, wages or programming
- ▶ City must expand services at four sites and incur additional compensation costs

### **Option #5 Continue Campagna Kids only at schools without Rec Centers, change staff ratios to 1:20 and adjust wages**

This option reflects before-and-after-school programming at Lyles-Crouch, Maury, MacArthur, Jefferson-Houston, George Mason, Polk, Patrick Henry, John Adams (Tucker is a separately-negotiated contract). Where there are recreation centers attached to the schools (Mount Vernon, Charles Barrett, Ramsay and Cora Kelly) the before-and-after school care will be provided by another entity. This option also changes staffing ratios from 1:15 for nonaccredited sites and 1:12 for accredited sites to 1:20, the ratio required by the Virginia Department of Social Services. **Budget adjustment: \$158,936 surplus (Column J)**

### Benefits

- ▶ Brings staff wages closer to market for school-aged child care providers (wages based on 2001 study) which will allow us to attract and retain staff

### Issues

- ▶ Accreditation lost at all sites
- ▶ Families at Mount Vernon, Charles Barrett, Ramsay must change providers
- ▶ Does not provide for citywide equity in fees, wages or programming
- ▶ Lower staff/child ratio lowers program quality
- ▶ City must expand services at four sites and incur additional compensation costs

Honorable Mayor and Members of the City Council  
City of Alexandria

As time grows close to the actual ground breaking for the Duncan Library addition, on behalf of the Friends of the Library, I wish to both thank you and commend you for recognition of the need and for moving forward with the much needed expansion of Duncan.

The Friends were pleased to hear the presentation made by Larson/Koenig Architects although clearly, for those of us present when the doors were first opened in 1969, we looked to the north and saw the larger library that was needed. We are writing in support of moving forward toward the expansion and trust that nothing will hold up the needed space for Duncan library. Like the beltway and the Metro system, Duncan was obsolete the day it opened. No need at this point to reiterate the library program needs, you are as aware of them as we are.

The impact of the proposed expansion on either the school system or the environment is minimal. We propose that the project move forward with no further delay. We are pleased that the community was consulted, recognizing the time spent by the architect and his firm and we applaud the community outreach. The majority of the patrons to whom we speak see the primary need as that of library expansion and not preservation of this particular open space.

The members of the Board of Directors of the North Ridge Civic Association join the Friends in thanks and request that plans move forward without further delay.

*Barbara V. Green*      *Norman J. Roberts*

# Queen Street Clinic, PLC

Family Practice For The Medically Uninsured  
1000 Queen Street  
Alexandria, Virginia 22314

~~Budget~~

March 9, 2003

Mayor Kerry Donley  
Room 2300  
301 King Street  
Alexandria, VA 22314

Re: Queen Street Clinic, PLC

Dear Mr. Donley:

Many of you, if not all of you, are aware of Queen Street Clinic and the personal sacrifices I have made in order to establish a successful business which focuses on affordable healthcare to uninsured and underinsured individuals. Throughout most of 2002 I worked on obtaining a non-profit status for the clinic. After great amounts of effort and time, non-profit status was granted to the clinic on February 26<sup>th</sup>, 2003. Gaining non-profit status for my clinic was an arduous task. My dream was to build a clinic to help uninsured individuals gain access to medical care and I have decided that both for me, and my patients, this is best achieved through a PLC.

When the idea of becoming a non-profit was proposed to me I could not have imagined the complexity that the task became. After a time of serious consideration and reflection, it was decided the clinic is most effectively operated at this point in time as a PLC. On Monday, March 3<sup>rd</sup>, 2003 the Board of Directors of Queen Street Clinic Foundation voted to dissolve the Foundation. Queen Street Clinic is again being operated by Queen Street Clinic, PLC.

The clinic is thriving and stays busy with 18-20 patient visits each day. To date, there have been 5500 patient visits and the clinic boasts a 56% follow-up rate. The Alexandria Chamber of Commerce awarded the clinic "New Business of the Year Award", and I was awarded a "Washingtonian of the Year" by the Washingtonian Magazine. All of these are great honors and I only hope they bring recognition to the clinic, eventually helping my patients.

**Additionally, the clinic is serving as the medical practice of choice for several Alexandria businesses.** The business owners have chosen to use Queen Street clinic for their physical examinations as well as a first line of medical service, rather than the emergency room. It will enable them to have a clinic for physical exams where they are confident in the integrity with which the exam is performed as well as to provide their employees with an affordable healthcare option. I am excited about this development and look forward to building relationships of this type with additional community businesses.

**In a similar light, many of my patients are day care workers in Alexandria and as a group are currently seeking a viable healthcare option.** I believe Queen Street Clinic is a wonderful solution for them. Many of them are already patients here; they are comfortable with my practice and my medical policies. **In December, I submitted a grant to the city proposing a voucher program for medical services.** Something of a similar design would serve the needs of the day care workers. I would welcome the opportunity to work with you in providing a healthcare option for them.

Warmest Regards,

Anne Boston Parish, MSN, RN; CS, FNP-C  
Owner

Subject: Tentative Reduction to School Budget

04/26/03 09:22 AM

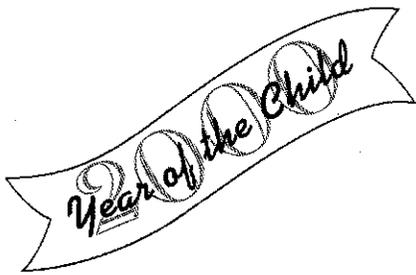

Please pass the following message to the City Council.

Last year my wife and I finished 27 years as parents in the Alexandria public school system. We were very pleased with the education each of our four very different children received. Truly the public school system and its rich diversity of students is one of the city's most valuable resources.

While we are pleased the City Council has tried to reduce the property tax rate as a result of the very large increases in our property assessment, we would appreciate your considering restoring the \$800,000 tentatively cut out of the budget last Monday. At a time when the city has a significant number of students with high needs it is very important that these students get the extra attention that they need to help them prepare for the increasingly complex world they will be facing upon graduation. Spending the money to help launch students into productive lives as adults is one of the most important responsibilities we have and is very cost efficient in the long run.

Having spent over 35 years in Federal budgeting I know it is not easy to take a reduction in the budget when a very high percentage of the budget is fixed so a small cut usually has a large impact on important new programs.

Doug and Meredith Wade

April 30, 2003

The Honorable Kerry Donley  
City Hall  
301 King Street  
Alexandria, VA 22314

Dear Kerry,

Observing your leadership of the budget process this spring has made me even more regretful that you will be leaving office in June.

I want to thank you for recommending that the \$245,000 in additional funds for wages for our child care staff be placed in the contingent reserves, which if approved will enable us to continue Campagna Kids at the same level and quality in FY04 while the City studies its entire approach to after-school services. We are totally supportive of that effort, having pointed out for a long time that subsidizing two programs, with two staffs, at the same sites during the same hours is neither cost effective nor fair to all families.

I hope the issues considered will include the type of programming that is most enriching to children, the hours of service that are most helpful to families, how to best serve special needs children, consistency in parent fees, the importance of accountability, the capacity to leverage private resources, and the value of National School-Age Care Alliance accreditation, rather than why The Campagna Center has had a sole-source contract or whether Rec or The Center is the best provider.

I was inspired last night when you described our City's capacity to truly address social problems, and I wish that you had been able to accept our invitation to join our Board of Directors to work on after-school issues, both for elementary and middle-school children, since I know youth have always been a focus of your efforts. We'll hope that there may be an opportunity in the future.

Thanks again, Kerry, for this specific role you played and for everything else you've done for the City, and especially its young people, as a public servant.

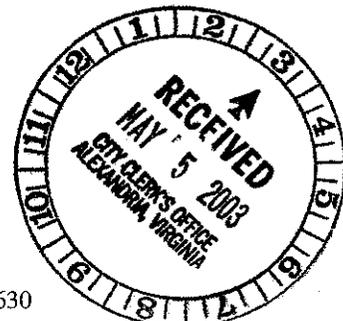

Sincerely,

  
Katherine L. Morrison  
Executive Director

5000 Rhoades Place  
Alexandria, VA 22304-2010

The Honorable Mayor  
City Hall  
Alexandria, VA

Dear Mayor Donley,

I am a native born Alexandrian, Barbara Marx Viney, daughter of James Marx. My father worked hard for my entire youth for the City of Alexandria and the future citizens of Alexandria. I have a serious problem with the Campagna Center, with whom I understand the City of Alexandria has a contract. Further, I note Campagna Center is seeking increased funding from the city this week. I cannot in good conscience recommend an increase in funding without proposing the City seriously look into mismanagement and poor accounting practices before a consideration of increased funding.

My (step)children participate in the Campagna Kids program at James K. Polk Elementary. The service provided to the children at Polk Elementary under the direction of Mr. Anthony Ellison is tremendous. Unfortunately, the service provided at the Campagna Kids business office is tremendously horrible! As a specialist in conflict resolution, I have done my best to work with the people at Campagna and have not been respected. I have reiterated my understanding of their position and their interest and yet I am now incensed with the unprofessional performance and attitude exhibited by Ms. Morrison and her staff. In fact, I believe I am now being harassed by the Campagna Center.

My greatest concern is for my children as I feel the harassment is intended to make me pull the children from the program or risk eviction. Both children are special needs children with emotional disturbance. At this point in their little lives, they need consistency and structure, something Mr. Ellison and his staff provides them in after-school care. They particularly need loving and caring adults who are stable in their lives and with whom they have built trust. Mr. Ellison and his staff provide this stability. I cannot imagine what their after-school situation would be like without Campagna and I am amazed that, because of what appears as incompetence in the accounting department, I have to be concerned about their care.

Clearly this whole issue is about money. In a nutshell, after creating a 7 month history of payments, Campagna decided we weren't paying what we were supposed to be paying. They then decided to charge us arrearage to the tune of \$1005! We proposed a payment plan on April 3, 2003, under protest and with a request to meet in person to discuss the situation. Despite this, Campagna Kids phoned a threat to put our children out of the program on April 22, 2003, for not providing a payment plan! Our story is attached for your interest. I have two reasons for sharing this with you:

- 1) I do not promote increased funding to Campagna Center without proposing the City seriously look into mismanagement and poor accounting practices at Campagna.
- 2) I ask that you look into our personal situation and help stop the harassment Campagna Center is exercising towards my family.

My husband and I are disheartened by the circumstance and are daily concerned our children will be put out of the program. These children have faced abandonment, rejection and much heartache in their little lives. We are trying to provide them with consistency and love in all aspects of their lives – school, church, friendships and family. We thank you for considering our comments regarding increased funding and mistreatment/harassment by Campagna and look forward to hearing from you in the near future regarding this situation.

I may be reached during the day at 202-564-7972 (w), 703-867-0569 (cell).  
I may also be reached in the evening at 703-370-5035.

Respectfully,

Barbara Marx Viney

Cc: Members of Alexandria City Council  
Campagna Center Board of Directors

Attachment

## Attachment

Here is our story, and I do not claim to be completely without blame in this - in good faith, I signed a blank contract. I do, however, have serious concerns about Campagna Kids accounting and how Campagna Center has responded to and exacerbated the situation. Further, I have a concern with how the Campagna Center is now engaged in harassing me. New to parenting and new to child care, I have much to learn, but I do not believe harassment in any form is beneficial. Please note these are special needs children both labeled by the school as emotionally disturbed.

- 2001-2002 school year - my children were subject of a custody battle in El Paso, TX.
- June 2002 – children enrolled in Campagna Kids summer program Sessions 1 and 2
- July 25, 2002 - sole custody of Jonathan and Ashley Viney reaffirmed to Charles Viney in Alexandria, VA.
- July 29, 2002 - children were registered for the 2002-2003 school year before- and after-school programs.
  - The individual in the office provided me with a registration contract with no fee schedule and did not know what the fees would be. To ensure a place for my children, and in good faith, I signed the contract and left the signed contract with a question about the fees.
- July 29 to September 3, 2002 – messages left for Campagna, no return calls received.
- September 3, 2002 – School started, children taken to before- and after-school program on the assumption they were enrolled.
- On or about 25 September, 2002 – Successfully reached Ms. Young at Campagna Kids who quoted me a monthly fee of \$402.75.
  - Ms. Young explained fees were due one month in advance.
  - Payment sent for September and October
- October – March - in good faith, paid \$402.75 every month in advance. The Campagna ledger will show this very clearly.
- March 2003 - received a delinquent notice for an unusual sum, \$570, with a statement indicating repetitive efforts to contact us. No previous contacts were received from Campagna.

Obviously, this is where the conflict starts. My husband went to Campagna the day after receiving this notice to investigate the situation and make whatever correction was necessary. Charles discovered a ledger error that listed our March payment as a second February payment. At that time, and clearly because the accounting had been questioned, he was told we were paying an incorrect amount and owed \$167.25 more each month than we were paying. This amount due was for before-school care. This is where the problem starts. These charges were not added until November 2002 and continued to this point. We were never contacted regarding this increased amount nor had we ever received notice regarding this additional amount. We immediately dropped our children from the before-school program. A review of the contract submitted on July 29, 2002, revealed that in addition to my signature the amounts had been entered by a person other than the representative that signed the contract in my presence. The representative that signed the contract stated she did not have the amounts available and could not provide me with that information until she found out if the fees would be based on my

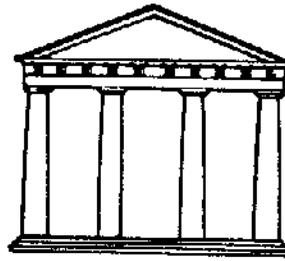

husband's income alone or total household income. The fee of \$402.75 was not quoted to me until the end of September 2002 and, again, we have been paying in good faith since that time. Conversations with Ms. Theola Ray and Ms. Katherine Morrison have been ineffective in reaching a resolution to the situation.

In summary, we paid monthly, in good faith, what we were told we were obligated to pay back in late September by Ms. Young. The Campagna ledger clearly shows a history and pattern of payment. Now, suddenly, Campagna expects us to retroactively pay a fee different than we were led to believe! This suddenly puts us in arrears \$1005! There are other errors in the ledger as well. I might point out that the ledger doesn't have our children enrolled in before-school care until November, when our children were indeed attending from the first day of school. Further, no late fees were assessed for payments received after the 20<sup>th</sup> of the month, something I now have understanding is required. And NEVER did Campagna contact me or my husband to discuss or clarify the situation until we received the delinquent notice!

On April 3, 2003, we offered a payment plan in protest with a request to meet with the Executive Director, Ms. Katherine Morrison. On April 17, 2002, we received a response from Campagna accepting our payment plan. On April 22, I received a phone call from a Campagna employee requesting a payment and payment plan by "tomorrow" or they would be forced to put our children out of the program starting "TOMORROW". I point out, no creditors have EVER called me for payment 2 days after a payment date that fell on a holiday! I consider this blatant harassment.

What concerns me most? That my special needs (emotionally disturbed) children may face additional turmoil in their lives and unnecessary changes due to incompetence on the part of Campagna's accounting system. It also causes one to wonder how many other families find themselves the subject of poor accounting and harassment. Ms. Morrison told me there were 100 delinquent families from which Campagna was to collect - we were not and are not delinquent in payment, are they? Further, how long might this mismanagement have been going on? How many families actually are delinquent? Finally, the program at the school itself is excellent; however, there are tremendous problems within the administrative side of the program. One could even view these practices by the administrators as fraudulent. We do not believe it is fair or appropriate for them to include us with the group of parents that simply are not paying for services.

The Honorable Kerry Donnelly  
Mayor  
City of Alexandria  
City Hall  
301 King Street  
Alexandria, Virginia 22314

Dear Mayor Donnelly,

The members of the Northern Virginia Fine Arts Association at *The Athenaeum* are very grateful for the generous grant of \$11,000 we will receive for our 2003-2004 program of arts activities. Please express our gratitude to all the members of the City Council.

The grant from the City will allow us to continue to provide quality art activities, for free or very low cost to all the citizens of Alexandria and those of the surrounding areas as well as touring visitors. We hope that you and the other members of council will come and enjoy the arts we provide, too.

Thanking you all again, with good wishes, I am,

Sincerely yours,

Mary Gaissert Jackson  
Executive Director

### FY 2004 Budget Adoption Motion

1-2-019 ✓

I move adoption of the Manager's proposed budget of expenditure levels of \$398,623,187 and revenue levels of \$392,039,586, with the following amendments:

#### Revenue Adjustments:

- Real Property Tax Revenues Increased \$1 million -
- Business License Tax Revenue Increased \$800,000 -
- Sanitary Sewer Fees Increased \$600,000 -
- Recordation Taxes Increased \$400,000 -
- Use of Money and Property Decrease \$1.2 million -
- Meals Sales Tax Decrease \$300,000 -
- Senior/Disabled Tax Relief Decrease \$200,000 -
- Real Property Net Tax Rate Reduction of 2.5 Decrease \$4,880,000 -

#### Expenditure Adjustments

- WMATA Subsidy Decrease \$600,000 -
- Reduction in Cash Capital - Sewers Decrease \$500,000 -
- ACPS Appropriation (net reduction \$230,000) Decrease \$900,000 -
- Reduction in City and ACPS COLA funding to 2% Decrease \$700,000 -
- Community Partnership Fund Increase \$124,500 -
- Day Care Providers Increase \$200,000 -
- Meals on Wheels Increase \$20,000 -
- Street Trash Cans Increase \$10,000 -
- Traffic Calming - Janneys Lane Increase \$50,000 -
- Overall City Funding Reduction Decrease \$1.5 million -

\*The City Manager may account for this reduction through personnel, non-personnel, cash capital adjustments, or other accounts, and he will report back to the Council in June regarding these changes. ✓

• *Burke Library Books* Increase 15,500 -

Further, this motion includes the following designations in Contingent Reserves:

- \$245,000 for the Campagna Center After-School program -
- \$75,000 for consultants for the Planning Department -

*subject - not*

These designations are made understanding that further Council action is required prior to appropriation.

Further, this motion includes:

- Approval of a COLA of 2% for city employees, including the City Manager, City Attorney, and City Clerk; -
- Approval of merit-in-step increases for all eligible employees; -

- Approval of an increase of employer share of health care benefits; —
- Approval of an increase in funding for the city Supplemental Retirement Plan; —
- Approval of an increase in the employer share of life insurance benefits; —
- Incorporation of savings in replacement cycle for desktop computers; —

The proposed amendments result in an appropriation from Fund Balance in the amount of ~~\$6,568,101~~, \$15,500 below the City Manager's recommendation.

→ 6,583,601 - 16,100

The elements of this motion result in a real property tax rate of \$1.025 and personal property tax rate of \$4.75, however, I further move that the real property tax rate be established at \$1.035, with \$.01 being hereby designated for the cash capital contribution to the capital projects fund for Open Space.

**I move adoption of the FY 2004 to FY 2009 Capital Improvement Program as Proposed by the City Manager, with the following changes:**

- Increase in cash capital for Open Space: *M/D*

FY 2004	\$2,905,000	(includes funds collected in prior years)	—
FY 2005	\$2,029,000		—
FY 2006	\$2,110,000		—
FY 2007	\$2,194,000		—
FY 2008	\$2,283,000		—
FY 2009	\$2,374,000		—
- Increase in cash capital for traffic calming in Janneys Lane \$50,000 —
- Transfer of \$200,000 from proposed Open Space allocation for preliminary planning and design work for the Charles Houston and/or the Patrick Henry Recreation Centers \$200,000 —

*real p. e 1.025 / 4.75*

*5 14 1.06 assigned*

*1-29 1.035*

Bev Jett

### FY 2004 Budget Adoption Motion

I move adoption of the Manager's proposed budget of expenditure levels of \$398,623,187 and revenue levels of \$392,039,586, with the following amendments:

Revenue Adjustments:

- Real Property Tax Revenues Increased \$1 million
- Business License Tax Revenue Increased \$800,000
- Sanitary Sewer Fees Increased \$600,000
- Recordation Taxes Increased \$400,000
- Use of Money and Property Decrease \$1.2 million
- Meals Sales Tax Decrease \$300,000
- Senior/Disabled Tax Relief Decrease \$200,000
- Real Property Net Tax Rate Reduction of 2.5 Decrease \$4,880,000

Expenditure Adjustments

- WMATA Subsidy Decrease \$600,000
- Reduction in Cash Capital – Sewers Decrease \$500,000
- ACPS Appropriation (net reduction \$230,000) Decrease \$900,000
- Reduction in City and ACPS COLA funding to 2% Decrease \$700,000
- Community Partnership Fund Increase \$124,500
- Day Care Providers Increase \$200,000
- Meals on Wheels Increase \$20,000
- Street Trash Cans Increase \$10,000
- Traffic Calming – Janneys Lane Increase \$50,000
- Overall City Funding Reduction Decrease \$1.5 million

\*The City Manager may account for this reduction through personnel, non-personnel, cash capital adjustments, or other accounts, and he will report back to the Council in June regarding these changes.

• *Burke Library Books* Increase 15,500-

Further, this motion includes the following designations in Contingent Reserves:

- \$245,000 for the Campagna Center After-School program
- \$75,000 for consultants for the Planning Department

These designations are made understanding that further Council action is required prior to appropriation.

Further, this motion includes:

- Approval of a COLA of 2% for city employees, including the City Manager, City Attorney, and City Clerk;
- Approval of merit-in-step increases for all eligible employees;

- Approval of an increase of employer share of health care benefits;
- Approval of an increase in funding for the city Supplemental Retirement Plan;
- Approval of an increase in the employer share of life insurance benefits;
- Incorporation of savings in replacement cycle for desktop computers;

The proposed amendments result in an appropriation from Fund Balance in the amount of \$6,568,101, ~~\$15,500 below the City Manager's recommendation.~~

6,583,601 -

The elements of this motion result in a real property tax rate of \$1.025 and personal property tax rate of \$4.75, however, I further move that the real property tax rate be established at \$1.035, with \$.01 being hereby designated for the cash capital contribution to the capital projects fund for Open Space.

**I move adoption of the FY 2004 to FY 2009 Capital Improvement Program as Proposed by the City Manager, with the following changes:**

- Increase in cash capital for Open Space:
 

FY 2004	\$2,905,000	(includes funds collected in prior years)
FY 2005	\$2,029,000	
FY 2006	\$2,110,000	
FY 2007	\$2,194,000	
FY 2008	\$2,283,000	
FY 2009	\$2,374,000	
- Increase in cash capital for traffic calming in Janneys Lane \$50,000
- Transfer of \$200,000 from proposed Open Space allocation for preliminary planning and design work for the Charles Houston and/or the Patrick Henry Recreation Centers \$200,000
